

DISABILITY INSURANCE

We provide short-term disability coverage at **NO COST TO YOU.**

In the event you are injured or ill and need to access this benefit, please contact the People Team at SnoozerSupport@snoozeeatery.com.

SHORT-TERM DISABILITY

Benefit amount	50% of your salary up to \$1,500 per week
When are benefits payable?	7 days of disability due to an accident, illness or pregnancy
Maximum benefit duration	13 weeks

PROTECT YOUR PAYCHECK

If you couldn't work, how would you pay your bills?

Disability insurance can help! Disability benefits replace a portion of your income if you're restricted from working due to a non-work-related injury or sickness, and when no other pay options are available. Other pay options would include any available state disability benefits which would be used first.
